MATHS

Year 7	Curriculum content covered
Term 1	Number, proportion and probability
Term 2	Algebra, sequences, graphs, measurement and area
Term 3	Lines, angles and data handling
Year 8	**Curriculum content covered**
Term 1	Number, proportion and probability
Term 2	Algebra, sequences, graphs, measurement and area
Term 3	Lines, angles and data handling
Year 9	**Curriculum content covered**
Term 1	Transformations, angles, fractions, equations, volume and probability
Term 2	Begin GCSE curriculum – number skills, indices, expanding and factorising, standard form
Term 3	Sequences, graphs, surds, area and volume
