

WORKS OF MERCY

Chaplaincy Bulletin – Issue 11

“Living and learning together as a Catholic community in Christ: religion, reason and kindness are at the heart of our ethos through education.”

Year of Mercy — As you are aware, the year of Mercy began on the 8th December 2015 and will run until November 2016. There are many different events run by Southwark Catholic Youth Service that are advertised around the school, but we will also be marking the year of Mercy in college. We encourage staff, students and parents to reflect on various works of Mercy and how we can encompass them in to our own lives. Please take time to reflect on the reverse of this sheet for some ideas on how we can be merciful in our day to day life.

Chaplaincy Display board— The display board outside the music block is dedicated to chaplaincy events. This is updated regularly and currently displays information and events connected to the Year of Mercy. Please encourage students to come and have a look at the board for either personal reflection or information on events that they might be interested in.

Acts of Mercy — Part of our acts of mercy as a school began in December when the whole college contributed to donating food for those less fortunate than us. Southwark Irish Pensioners Project wrote a letter of thanks and updated us on where the food had gone.

“We managed to deliver 34 hampers to our most needy and vulnerable elderly clients just before Christmas... we also delivered over 100 ‘goody bags’ to our most isolated and sick pensioners and the leftover tins were donated to the Manna Centre - a homeless charity based in SE1”

Throughout this year of mercy we will continue to find ways to show mercy and kindness to those in need.
