

Chaplaincy Bulletin – Issue 9

-  **Friday Morning Mass** – This week 9PA led us in weekly Mass and it was a lovely service. The next groups are 10RE (20th Nov), 7FO (27th Nov) and 9RU (4th Dec). Please remind students that Mass is at **8am** EVERY Friday morning and do feel free to come along yourselves.
-  **Year 10/9 retreat** – The retreat will take place from Wednesday 25th November to Friday 27th November. The students will be accompanied by CGA, PKI & CLO. A list of students involved will follow. Please pray for the students that they will have a blessed and fruitful time.
-  **Chaplaincy Team meeting** – We have now recruited some new year 7 students on to the team and continue to meet when we can on a Wednesday after school. Our Focus at the moment is November prayers in the chapel and the upcoming Christmas service.
-  **November Prayers** – As the month of November is traditionally when we pray for those people who have died, we have been having November prayers every day in the chapel at break time. CGA has also been going to all the RE classes and running a short prayer session with the students to encourage them to pray for people who have died.
-  **VIDES** – VIDES continues to run on a Friday after school in the chapel. Following the success of the Yr. 7 retreat, we have a few sixth formers who have volunteered to help lead the sessions.
-  **Poppy Appeal** – There will be students going round for the next couple of weeks selling the last of the poppies. Please encourage students to be generous and open up discussions about what the poppies stand for.
-  **National Youth Sunday** – Sunday 22nd November is the Feast of Christ the King and is when National Youth Sunday is celebrated. This year the theme is “King of Hearts” and we are invited to make Jesus King of our hearts. We are encouraged to have a heart of Welcome when thinking of those in need, to have a heart to heart with others and spread good news and to have a heart of mercy with those around us.

Advice to young people

Don't let anyone look down on you because you are young, but set an example in behaviour, in love, in faith and in purity.

1 Timothy 4:12

Michelle Obama

"It is absolutely still possible to make a difference. The great moments of our history are not decades in our past; they're happening right now, today, in our lifetimes."

My advice to young people: never stop learning.

Mark Hamill

Respect yourself, don't give up. If you want to achieve anything... you can... just don't give up xx
