

## ST MICHAEL'S CATHOLIC COLLEGE BEHAVIOUR POLICY 2018-19

### **Ethos**

St Michael's College aims to respond to the needs of each individual pupil developing the whole personality for fostering qualities of mind, body and spirit, feeling and imagination in a supportive Catholic atmosphere.

### **Aims**

St Michael's College aims to help pupils:

- To develop lively enquiring minds, and the skills and abilities necessary to ensure success and the highest personal academic achievement.
- To develop an understanding and appreciation for their religious faith and the spiritual and moral dimensions of their lives.
- To learn to respond to the needs of others; to respect other races, cultures and religions.
- To celebrate and enjoy experiences of friendship, success, happiness and shared endeavour.
- To create an environment where 'Every Child Matters'.

### **Behaviour Policy**

We expect our pupils to behave well, both inside and outside the college, by showing self-discipline and respect for both themselves and others. This will be their response to the Catholic ethos of St Michael's College and the homes from which they come; by their conduct they are expected to bring credit to both. A summary of our college rules is listed below. Other rules may be explained, as the occasion arises, on appropriate occasions. All pupils are expected to respond promptly and obediently to the instructions of staff. Sanctions for poor behaviour are set out in this document.

A happy and successful college is one in which good order prevails and pupils respect boundaries. We insist on high standards of conduct, behaviour and appearance and rely on parental support to achieve this.

## **Pastoral Support Framework**

St Michael's College has a framework to promote good behaviour. There are various elements that include praise, commendation, reward and use of role models which include our prefect system.

### **College Rules**

- Good behaviour, courtesy and politeness are expected in college, to and from college and on Public Transport.
- Full college uniform must be worn to and from college and on all college occasions. All articles of college uniform should be clearly marked with the owner's name. Breaches to uniform or pupils having extreme hairstyles will result in a fixed term exclusion within the Alternative Provision Base.
- Pupils returning to college after absence should bring a letter of explanation from their parents to the Form Tutor. The college journal should not be used for such purposes.
- Pupils arriving late for college must join the late line to have journal stamped. If a pupil arrives after 9.00 a.m they must report to the college office to be signed in, being late to college will result in a detention after college on the same day. A pupil who has to leave early for any reason must bring a note to the Form Tutor and report to the secretary with the note signed by the Form Tutor and the Leader of Learning will call home during a.m. registration. They must then report back to the secretary to receive written permission to leave.
- Pupils should have a dark grey, navy blue or black rucksack or satchel type bag capable of being closed to carry their books to, from and at college. This should be kept with the pupil during the day wherever possible.
- A letter from parents is required giving permission for bicycles to be brought to college. All bicycles must be securely locked and left in the designated area.
- During the lunch hour pupils in years 7 – 11 may not leave the premises and must have a college lunch. Sandwiches may not be brought into college.
- Outdoor coats must not be worn inside the building.
- Pupils should not normally bring newspapers or magazines to college.
- Chewing gum is strictly forbidden in college and will result in being placed in the Alternative Provision Base.
- Smoking is forbidden to, from and in college and whilst in college uniform.
- Expensive items, such as mobile phones etc. or large sum of money, should not be brought into college. No responsibility can be taken by the college for loss of money or other personal property left unattended.
- If brought to school mobile phones should be switched off during the college day and remain out of sight. Any phones which are seen by staff or are being used during the day will be confiscated.
- All damage to college property and equipment should be reported immediately; care should be taken of all college books.
- St Michaels reserves the right to stop and search any pupil who is suspected of being in possession of any object, material or substance that could be deemed to be harmful or in contravention to any of the college rules.
- Offensive weapons/Drugs are not permitted on college premises. Any pupil who is found in possession of any such item or who brings any such item into college will be permanently excluded.

- Making false or malicious accusations about a member of staff could result in the permanent exclusion of a pupil from the college.

On entry to the college parents and pupils sign a Home College Agreement, agreeing to support the whole ethos of St Michael's College. This is a binding contract and in signing it, it is expected that parents are agreeing to the rules of the college.

A pupil's individual code of conduct is printed in the college journal under the heading 'General Information'.

### **Bullying**

The Governors and staff make a commitment to all pupils that each reported incident will be taken seriously and dealt with sensitively. Pupils and parents are assured that necessary action will follow in accordance with the college's anti-bullying policy.

### **Sanctions**

- SIMs is used as a monitoring and recording system for positive and negative behaviour.
- Incident reports should be used as a referral system for more serious incidents which need to be escalated.
- A teacher refers the problem to the Learning Leader or Head of Department with the incident form for information or further action.
- A pupil is advised that an incident form is being issued.

To disregard the rules and routines, deliberately or thoughtlessly, is a discourtesy to fellow pupils and staff. In cases where college rules are broken the college will apply a variety of sanctions, which may include the following:

### **Detention**

After college detentions may take place for 1 hour without prior notice. Notice will be given for longer detentions in line with the DfE guidelines; this may include a 3 hour Saturday morning detention, failure to attend a Saturday detention without a valid reason will result in a two day fixed term exclusion and the detention will be reset. A letter will be issued to the parent via the pupil on the Thursday prior to the detention. Detentions may be used as a 'tool' to help improve pupil academic performance, punctuality. Detention tasks may include academic work.

### **Reports**

If a student persistently misbehaves or fails to produce work to a satisfactory standard, then the Leader of Learning will use a Report (A red report to monitor behaviour and a yellow one to monitor academic performance). Teachers, Leaders of Learning and parents sign the sheet daily. Daily reporting would normally last for two weeks. Getting a 3 on the daily report will result in a one-hour detention after college on that same day.

### **Short Term Internal Exclusion**

The pupil will be withdrawn from normal college routine, in line with the DfE guidelines, and work will be set. Parents will be contacted to be informed of this sanction.

## **Exclusion – Please see the separate exclusion Policy**

### **Sixth Form Behaviour – Academic Expectations**

The college expectation is that all students who enter the sixth form will have 100% attendance and punctuality, both to college and to lessons. All assignments, including homework and preparation tasks must be completed punctually and to a high standard. Conduct in lessons should demonstrate readiness to learn and intellectual participation. Where these expectations are not met and this in turn results in underperformance, students may face disciplinary action which may result in permanent exclusion.

#### **Hierarchy:**

Repeated infringement of one or more academic expectations as recorded on SIMS:  
Tutor report and / or removal of free periods.

Continued infringement or another episode of infringement: on report to PBE & GME then to TRU if persistent, parental involvement.

Repeated infringement of academic expectations combined with underachievement: referral to Principal and Academic board. Result: warning orally and in writing.

Sustained failure to meet the pass grades within two or more subjects due to systemic infringement of academic expectations: Warning of fixed term or permanent exclusion. Placed on White report for a period of time.

Continuous non-attendance together with ongoing failure to do assignments and work to St Michael's standards and expectations will lead to non-entry of exams. Where students fail to fulfil all requirements and standards, parents may be asked to pay for the exam fee.
