Important Information for Students; Mock Exam Regulations and Expectations

- All students are expected to come fully prepared to sit the examinations, including bringing all writing and specialist equipment e.g. calculators, rulers, geometry sets etc.
- All examination regulations in relation to mobile phones, other electronic devices, watches and conduct must be adhered to and students will be removed from examinations if they fail to follow these rules.
- Only water in clear bottles without labels may be brought to any examination room and if bringing a pencil case, it must be clear.
- It is important that students do not miss an exam or arrive late as they will not be able to sit the exam at a later date.
This is in line with Department of Education and Joint Council for Qualifications (JCQ) guidance which requires schools to ensure that all mock examinations are completed in exam-like conditions to ensure they have been administered in a rigorous and robust manner should they be needed for Teacher Assessment Grade (TAG) evidence in the event of examinations being cancelled (e.g. should there be a covid outbreak or other emergency).
- Given this guidance we are unable to authorise any requests for absence or arrange for papers to be taken at a later date as this would compromise the integrity of the examinations.
