 - b) for the pupil number count for pupils in Year 12 and above, the formula which for the time being is in use for maintained schools for the calculation of pupil numbers for pupils in Year 12 and above for the purpose of calculating their level of funding.
- 46) Where either of the following conditions applies in respect of an Academy Financial Year, the basis of the pupil count shall be determined by the Secretary of State, taking

account of any diseconomies of scale that the Academy will be under as a result of such condition(s) applying. The conditions are:

- a) not all planned Year-groups will be present at the Academy (that is, all the pupil cohorts relevant to the age-range of the Academy will have some pupils present); and
- b) the total number of pupils as measured in the Schools Census which is used to fund maintained schools for the financial year overlapping with the Academy Financial Year in question is less than 90% or more of the planned final size of the Academy, which is 750 and has not at any previous time been greater than 90% of that number.

47) For any Academy Financial Year in which GAG for the Academy has been calculated in accordance with clause 44, no adjustment shall be made to the following Academy Financial Year's formula funding element of GAG to recognise variation from the pupil count basis used.

48) For any Academy Financial Year in which GAG for the Academy is calculated in accordance with clause 45, no adjustment will be made to the formula funding element in the following Academy Financial Year's formula funding element of GAG unless the Academy Trust demonstrates to the satisfaction of the Secretary of State that there has been a significant impact on costs, such as an extra class. For any other element of GAG the Secretary of State may make adjustments to recognise a variation in pupil numbers from that used to calculate the element of grant in question; the basis of these will be set out in the annual letter of funding.

49) The Secretary of State recognises that:

- a) Where the Academy opens with an intake representing only a proportion of the final planned size of the Academy, payments based simply upon the number of pupils present are unlikely to be sufficient to meet the Academy's needs in the Academy Financial Years before all age groups are present at their planned size (the "Start-up Period") because of a lack of economies of scale. The Secretary of State may pay an appropriately larger GAG in the Start-up Period than would be justified solely on the basis of the methods set out in clauses 42-48, in order to enable the Academy to operate effectively;⁴
- b) Where the Academy opens with pupils transferred from one or more maintained

⁴ Note that a larger GAG for the Start-Up Period is not applicable to schools applying to convert further to the Academies Act 2010.

schools which have closed, additional GAG resources may be required to take account of transitional costs including any costs associated with supporting the integration of pupils from the closed schools and, where necessary, to offer a dual curriculum. If the Secretary of State has indicated that such additional GAG will be payable, the Academy Trust will make a bid for this addition to GAG based upon need and providing appropriate supporting evidence.

50) During the Start-up Period or during the period when year groups are present who have transferred from a predecessor school or schools, the Secretary of State will pay a further element of GAG additional to that calculated in accordance with the methods set out in clauses 42-48 to allow the Academy to:

- a) purchase a basic stock of teaching and learning materials (including library books, text books, software, stationery, science equipment and equipment for physical education) and other consumable materials;
- b) meet the costs associated with the recruitment and induction of additional teaching and other staff.

After the Start-up Period these costs will be met through the ordinary GAG.

51) The Secretary of State recognises that if he serves notice of intention to terminate this Agreement, the intake of new pupils during the notice period is likely to decline and that in such circumstances payments based simply upon the number of pupils attending the Academy are unlikely to be sufficient to meet the Academy's needs during the notice period. The Secretary of State undertakes to pay a reasonable and appropriately larger GAG with respect to the Academy in the notice period than would be justified solely on the basis of the methods set out in clauses 42-48, in order to enable the Academy to operate effectively.

52) The Secretary of State also recognises that if this Agreement is terminated for any reason by either party the number of pupils at the Academy is likely to decline. In these circumstances both parties undertake to attempt to resolve issues arising from such termination in good faith and with the aim of protecting the interests and the education of the pupils at the Academy.

53) GAG paid by the Secretary of State shall only be spent by the Academy Trust towards the normal running costs of the Academy and any payments falling due pursuant to the Governing Body Agreement and/or the Principal Agreement.

Earmarked Annual Grant

- 54) Earmarked Annual Grant ("EAG") shall be paid by the Secretary of State to the Academy Trust in respect of either recurrent or Capital Expenditure for such specific purposes as may from time to time be agreed between the Secretary of State and the Academy Trust and as described in the relevant funding letter. The Academy Trust shall only spend EAG in accordance with the scope, terms and conditions of the grant set out in the relevant funding letter.
- 55) Where the Academy Trust is seeking a specific EAG in relation to any Academy Financial Year, it shall submit a letter outlining its proposals and the reasons for its request to Academies Division, Sanctuary Buildings, Great Smith Street, London SW1P 3BT.

Arrangements for Payment of GAG and EAG

- 56) The Secretary of State shall notify the Academy Trust at a date preceding the start of each Academy Financial Year of the GAG and EAG figures in respect of the Academy which, subject to Parliamentary approval, the Secretary of State plans for that Academy Financial Year and of the assumptions and figures on which these are based.
- 57) If GAG or EAG is calculated incorrectly due to a mistake of the Secretary of State then:
- a) if this leads to an underpayment of GAG, the Secretary of State will correct the underpayment in subsequent Academy Financial Years;
 - b) if this leads to an overpayment of GAG, the Secretary of State reserves the right to recover any overpaid grant in subsequent Academy Financial Years, as appropriate, having considered all the relevant circumstances and taking into account any representations from the Academy Trust.
- 58) If GAG or EAG is calculated incorrectly because the Academy Trust provides incorrect information to the Secretary of State then;
- a) if this leads to an underpayment of GAG, the Secretary of State may correct the underpayment in subsequent Academy Financial Years;
 - b) If this leads to an overpayment of GAG, the Secretary of State reserves the right to recover any overpaid grant in subsequent Academy Financial Years, as appropriate, having considered all the relevant circumstances and taking into account any

- 59) The amounts of GAG for an Academy Financial Year will be determined annually by the Secretary of State. The amount of GAG for the Academy for the initial Academy Financial Year will be notified to the Academy Trust in a funding letter at a date preceding that year. For subsequent years the amount of GAG (including any deductions made in accordance with clause 59B) will be notified to the Academy Trust in a funding letter preceding that Academy Financial Year (the "Annual Letter of Funding"). The Annual Letter of Funding will not include the amount that the Academy Trust will receive in respect of grants for which information to enable timely calculation is not available or is incomplete, such grants will be notified as soon as practicable later in the year. Amounts of EAG will be notified to the Academy Trust wherever possible in the Annual Letter of Funding or as soon as practicable thereafter.
- 59A) In the event that the Secretary of State pays the LA any sums in connection with a Normal Payment Matter pursuant to the Principal Agreement the Secretary of State may, subject to clause 59B, set off or abate an amount equal to such sums from any GAG payable to the Academy Trust pursuant to this Agreement in the following financial year.
- 59B) Before exercising its right of set off or abatement pursuant to clause 59A above, the Secretary of State shall:
- a) notify the Academy Trust that such sums have been paid by the Secretary of State to the LA;
 - b) take into account (acting reasonably) any representations made by the Academy Trust providing reasons why the relevant Normal Payment Matters liabilities were not settled;
 - c) take into account (acting reasonably) any representations made by the Academy Trust as to the nature of the Normal Payment Matters under consideration and whether they properly fall within the definition of Normal Payment Matters having regard to the costs that other academies may normally be expected to bear from GAG funding.
- 60) The Secretary of State undertakes to pay GAG in monthly instalments on or before the twenty fifth day of each month, each such instalment to fund the salaries and other payroll costs for the relevant month of all monthly paid employees and all other costs payable during the next following month. The detailed arrangements for payment will be

set out in the Annual Letter of Funding.

60A Governing Body Agreement Insolvency

60A.1) For the purpose of clauses 60A.1 to 60A.12:

"Critical Years" means the then current financial year and, if an annual letter of funding has been received for the following financial year, that following financial year;

"Current Funding" means the funding specified in the annual letters of funding for the Critical Years and all other resources available and likely to be available to the Academy Trust, including such funds as are set out in clause 42 of this Agreement;

A "PFI EAG Refusal" occurs where:

- a) the Academy Trust has made a request for EAG funding to cover any costs that the Academy Trust has incurred or reasonably considers is likely to incur as a result of meeting its obligations and/or discharging its liabilities under the Governing Body Agreement or the Principal Agreement; and
- b) the Secretary of State has not agreed, in accordance with clauses 54 and 55, to provide such EAG funding to the Academy Trust.

60A.2) Within 30 days of being notified by the Secretary of State of a PFI EAG Refusal, the Academy Trust may provide written notice that it considers that, after taking into account its Current Funding, it is likely that the running costs during the Critical Years would cause the Academy Trust to go into Insolvency ("Academy Trust Insolvency Notice").

60A.3) Any Academy Trust Insolvency Notice must specify:

- a) the grounds and evidence, including any professional accounting advice, upon which the Academy Trust's opinion is based;
- b) a detailed statement of steps which the Academy Trust proposes to take with a view to ensuring that as soon as reasonably practicable the running costs are reduced sufficiently in the Critical Years to ensure that such costs are less than its Current Funding and the period of time within which such steps will be taken;

- c) the shortfall in the Critical Years between the Current Funding expected to be available to the Academy Trust to cover the running costs and the projected expenditure of the Academy Trust; and
- d) a detailed budget of income and expenditure for the Academy during the Critical Years.

60A.4) Within 15 days of the provision of the Academy Trust Insolvency Notice, both parties shall discuss and if possible (using reasonable endeavours) agree whether or not on the basis of the Current Funding, it is likely that the running costs during the Critical Years would cause the Academy Trust to go into Insolvency and such Insolvency could not be avoided through prudent financial management (including, but not limited to, using GAG funding prudently in order to cover the normal reasonable funding costs of the Academy).

60A.5) If the parties are unable to reach an agreement in accordance with clause 60A.4 within 15 days of the Academy Trust Insolvency Notice being served, then the following questions shall be referred to an independent expert (the "Expert") for determination:

- (i) whether, on the basis of the Current Funding, it is likely that the running costs during the Critical Years would cause the Academy Trust to go into Insolvency;
- (ii) whether the Academy Trust is using the funds provided under this Funding Agreement prudently; and
- (iii) whether the Academy Trust is using the funds provided under this Funding Agreement in accordance with the requirements of this Funding Agreement.

The Expert's determination shall be final and binding on both parties. The Expert shall be requested to specify in his determination:

- (a) the amount of the shortfall (if any) in funding between the running costs and the Current Funding during the Critical Years (the "Shortfall"); and
- (b) (if appropriate) recommendations as to future spending and the running costs.

The Expert shall be an insolvency practitioner with significant professional experience of educational institutions or academies. If the parties fail to agree

upon the appointment of the Expert then the Expert shall be appointed by the President for the time being of the Institute of Chartered Accountants in England and Wales.

- 60A.6) The parties shall procure that the Expert (together with any educational specialist appointed pursuant to this clause) will act promptly in determining the matters referred to him. The Expert shall be required in performing his role to take account of advice from an educational specialist who is professionally familiar with the issues arising from the budget management of large schools. If the parties fail to agree upon the appointment of the educational specialist then the educational specialist shall be appointed by the Chairman for the time being of the Specialist Schools and Academies Trust.
- 60A.7) The Expert's and the educational specialist's fees shall be borne equally between the parties.
- 60A.8) For the purpose of clause 60A.9 and 60A.12, "Insolvency Decision" means either:
- a) in accordance with clause 60A.4, the Secretary of State agrees with the Academy Trust that on the basis of the Current Funding it is likely that the running costs during the Critical Years would cause the Academy Trust to go into Insolvency which could not be avoided through prudent financial management (including, but not limited to, using GAG funding prudently in order to cover the normal reasonable funding costs of the Academy); or
 - b) an Expert determines in accordance with clauses 60A.5 that on the basis of the Current Funding it is likely that the running costs during the Critical Years would cause the Academy Trust to go into Insolvency or that the Academy Trust is not using the funds provided under this Funding Agreement prudently and in accordance with the requirements of this Funding Agreement.
- 60A.9) Within 10 Business Days of an Insolvency Decision, the Secretary of State may either at its option:

- a) withdraw the PFI EAG Refusal and promptly pay to the Academy Trust the amount of requested EAG funding or such other sum as shall be appropriate; or
- b) terminate this agreement on not less than 20 Business Days notice to the Academy Trust.

60A.10) In the event that the Secretary of State provides additional EAG funding in accordance with clause 60A.9(a), the Secretary of State may:

- a) appoint Additional Governors sufficient to enable him to appoint a majority of the Governing Body in accordance with the Academy Trust's articles and implement the recommendations of the Expert; and
- b) within 12 months of paying the additional EAG funding, terminate this Agreement at any time.

60A.11) In the event that the Secretary of State appoints Additional Governors in accordance with clause 60A.10(a), the Academy Trust must, upon the request of the Secretary of State, procure the resignation of the Sponsor Governors in accordance with the Academy Trust's articles.

60A.12) In the event that there is no Insolvency Decision, this Agreement shall continue and the Secretary of State shall not be obliged to pay to the Academy Trust the requested EAG funding.

Other relevant funding

61) Not used.

62) The Secretary of State may meet costs incurred by the Academy Trust in connection with the transfer of employees from any predecessor school under the Transfer of Undertakings (Protection of Employment) Regulations 2006. Payment of grant in respect of such costs is to be agreed between the parties on a case by case basis and the Academy Trust shall not budget on the basis that it will receive any grant in respect of such costs unless it is specifically notified that such grant will be paid.

63) The Academy Trust may also receive funding from an LA in respect of the provision detailed in statements of SEN for pupils attending an Academy in accordance with the provisions of Section 483A of the Education Act 1996 and regulations made under that

section. The Academy Trust shall ensure that all provision detailed in statements of SEN is provided for such pupils.

64) Not used.

Financial and Accounting Requirements

65) The Academy Trust shall appoint an Accounting Officer and shall notify the Secretary of State of that appointment.

66) In relation to the use of grant paid to the Academy Trust by the Secretary of State, the Academy Trust shall abide by the requirements of and have regard to the guidance in the Academies Financial Handbook published by the DfE and amended from time to time, which sets out in detail provisions for the financial management of the Academy including guidance on financial systems and controls and accounting and reporting requirements, in so far as these are not inconsistent with any accounting and reporting requirements and guidance that it may be subject to by virtue of its being a charity.

67) The formal budget plan must be approved each Academy Financial Year by the Governing Body.

68) Any payment of grant by the Secretary of State in respect of the Academy is subject to his being satisfied as to the fulfilment by the Academy Trust of the following conditions:

- a) in its conduct and operation it shall apply financial and other controls which conform to the requirements both of propriety and of good financial management;
- b) arrangements have been made to maintain proper accounting records and that statements of income and expenditure and balance sheets may be produced in such form and frequency as the Secretary of State may from time to time reasonably direct;
- c) in addition to the obligation to fulfil the statutory requirements referred to in sub-clause f) below, the Academy Trust shall prepare its financial statements, Directors' report, Annual Accounts and its Annual Return for each Academy Financial Year in accordance with the Statement of Recommended Practice as if the Academy Trust was a non-exempt Charity and in such form or manner and by such a date as the Secretary of State may reasonably direct and shall file these with the Secretary of State and the Principal Regulator each Academy Financial Year;
- d) A statement of the accounting policies used should be sent to the Secretary of State with the financial statements and should carry an audit report stating that, in the

opinion of the auditors, the statements show a true and fair view of the Academy Trust's affairs and that the grants were used for the purposes intended;

- e) the Academy Trust shall ensure that its accounts are audited annually by independent auditors appointed under arrangements approved by the Secretary of State;
- f) the Academy Trust prepares and files with the Companies Registry such annual accounts as are required by the Companies Act 2006;
- g) the Academy Trust shall publish on its website its Annual Accounts, Annual Report, Memorandum and Articles of Association, Funding Agreement and a list of the names of the Governors of the Academy Trust;
- h) the Academy Trust insures or procures insurance by another person of its assets in accordance with normal commercial practice or under the terms of any subsisting leases in respect of the leasehold interest of the site upon which the Academy is situated.

69) In addition, and at his expense, the Secretary of State may instruct auditors to report to him on the adequacy and effectiveness of the accounting systems and internal controls maintained by the Academy Trust to standards determined by the Secretary of State and to make recommendations for improving the financial management of the Academy Trust.

70) The books of accounts and all relevant records, files and reports of the Academy Trust including those relating to financial controls, shall be open at all reasonable times to officials of the DfE and the National Audit Office and to contractors retained by the DfE or the National Audit Office for inspection or the carrying out of value for money studies; and the Academy Trust shall secure that those officials and contractors are given reasonable assistance with their enquiries. For the purposes of this clause 'relevant' means in any way relevant to the provision and use of grants provided by the Secretary of State under this Agreement.

71) The Academy Trust shall submit indicative budgets relating to the Academy to the Secretary of State by not later than 15 February before the start of each Academy Financial Year. Such budgets shall set out clearly the prospective income and expenditure of the Academy and shall differentiate, and give adequate details of:

- a) a statement of expected income for that Academy Financial Year including cash donations and gifts in kind from sources other than GAG, EAG and grants from the

Secretary of State towards capital and revenue expenditure, distinguishing between income from public funds including the national lottery and income from other sources. Income from cash donations and gifts in kind from sources other than GAG, EAG and grants from the Secretary of State towards capital expenditure will not be taken into account by the Secretary of State in the calculation of GAG;

- b) a statement of proposed recurrent expenditure for that Academy Financial Year;
- c) a statement of proposed capital expenditure for that Academy Financial Year.

72) At the beginning of any Academy Financial Year the Academy Trust may hold unspent GAG from previous Academy Financial Years amounting to such percentage (if any) as the Secretary of State may specify by notice in writing to the Academy Trust prior to the beginning of that Academy Financial Year of the total GAG payable for the Academy in the Academy Financial Year just ended or such higher amount as may from time to time be agreed. The Academy Trust shall use such carried forward amount for such purpose, or subject to such restriction on its use, as the Secretary of State may specify by notice in writing to the Academy Trust.

73) Notwithstanding clause 72, any additional grant provided over and above that set out in clauses 42-48, and made in accordance with clauses 49-51 may be carried forward without limitation or deduction until the Start-up Period or the circumstances set out in clause 51 come to an end.

74) Any savings of GAG not allowed to be carried forward under clauses 72-73 will be taken into account in the payment of subsequent grant.

75) The Academy Trust may also accumulate funds from private sources or public sources other than grants from the Secretary of State for application to the benefit of the Academy as it sees fit. Any surplus arising from private sources or public sources other than grants from the Secretary of State shall be separately identified in the Academy Trust's balance sheet.

76) The Academy Trust shall not, in relation to assets or property funded (whether in whole or in part) by the Secretary of State, without the prior written consent of the Secretary of State which shall not be unreasonably withheld or delayed:

- a) except such as are given in normal contractual relations or as provided for in the Principal Agreement, give any guarantees, indemnities or letters of comfort;
- b) write off any debts or liabilities owed to it above a value for the time being specified by the Secretary of State nor offer to make any ex gratia payments;

- c) make any sale or purchase of freehold property; or
- d) grant or take up any leasehold or tenancy agreement for a term exceeding three years.

77) The Academy Trust shall provide 30 days notice to the Secretary of State, whether or not the circumstances require the Secretary of State's approval, of its intention to:

- a) give any guarantees, indemnities or letters of comfort (other than guarantees or indemnities contained in the Principal Agreement);
- b) write off any debts owed to it or offer to make any ex gratia payments;
- c) make any sale or purchase of freehold property; or
- d) grant or take up any leasehold or tenancy agreement for a term exceeding three years.

78) Each discovered loss of an amount exceeding the amount for the time being specified by the Secretary of State and arising from suspected theft or fraud, shall be reported by the Academy Trust to the Secretary of State at the earliest opportunity.

79) It is the responsibility of the Academy Trust to ensure that the Academy balances its budget from Academy Financial Year to Academy Financial Year. For the avoidance of doubt, this does not prevent the Academy Trust from:

- a) carrying a surplus from one Academy Financial Year to the next; or
- b) carrying forward from a previous Academy Financial Year or Academy Financial Years a sufficient surplus or sufficient cumulative surpluses on grants from the Secretary of State to meet an in-year deficit on such grants in a subsequent financial year; or
- c) incurring an in-year deficit on funds from sources other than grants from the Secretary of State in any Academy Financial Year, provided it does not affect the Academy Trust's responsibility to ensure that the Academy balances its overall budget from Academy Financial Year to Academy Financial Year.

79A) The Academy Trust shall abide by the requirements of and have regard to the Charity Commission's guidance to charities and charity trustees and in particular the Charity Commission's guidance in the Protecting Charities from Harm ('the compliance toolkit'). Any references in this document which require charity trustees to report to the Charity Commission should instead be interpreted as references to report to the Principal Regulator.

Borrowing Powers

- 80) The Academy Trust shall not borrow against or so as to put at risk property or assets funded (whether in whole or in part) by the Secretary of State without specific approval of the Secretary of State, such approval may only be granted in limited circumstances. The Academy Trust shall not operate an overdraft except to cover irregularities in cash flow. Such an overdraft, and the maximum amount to be borrowed, shall require approval by the Academy Trust in General Meeting and in writing by the Secretary of State, and shall be subject to any conditions which the Secretary of State may reasonably impose.
- 81) The Academy Trust shall provide 30 days notice to the Secretary of State of its intention to borrow, whether or not such borrowing requires the Secretary of State's approval under clause 80 above.

Disposal of Assets

- 82) Where the Academy Trust acquires assets for a nil consideration or at an under value it shall be treated for the purpose of this Agreement as having incurred expenditure equal to the market value of those assets at the time that they were acquired. This provision shall not apply to assets transferred to the Academy Trust at nil or nominal consideration and which were previously used for the purposes of an Academy and/or were transferred from an LA, the value of which assets shall be disregarded.
- 83) The sale or disposal by other means, or reinvestment of proceeds from the disposal, of a capital asset by the Academy Trust shall require the consent of the Secretary of State, such consent not to be unreasonably withheld or delayed, where:
- a) the Secretary of State paid capital grant in excess of the value for the time being specified by the Secretary of State for the asset; or
 - b) the asset was transferred to the Academy Trust from an LA for no or nominal consideration.
- 84) Furthermore, reinvestment of a percentage of the proceeds of disposal of a capital asset paid for with a capital grant from the Secretary of State shall require the Secretary of State's consent in the circumstances set out above and reinvestment exceeding the value for the time being specified by the Secretary of State or with other special features will be subject to Parliamentary approval. The percentage of the proceeds for which consent is needed is the percentage of the initial price of the asset which was paid by capital grant from the Secretary of State.

- 85) This clause applies in the event, during the lifetime of this Agreement, of the disposal of a capital asset for which capital grant of any amount was paid by the Secretary of State, where the asset was acquired by the Academy Trust. In this event, the Academy Trust shall repay to the Secretary of State the same proportion of the proceeds of the disposal as equates with the proportion of the original cost met by the Secretary of State, unless the Secretary of State agrees to some or all of the proceeds being retained by the Academy Trust for its charitable purposes.
- 86) This clause applies in the event, during the lifetime of this Agreement, that the Secretary of State consents to the disposal of an asset which was transferred to the Academy Trust from an LA for no or nominal consideration. In this event the Secretary of State may give consent on the basis that all or part of the proceeds of the disposal should be made over to the LA from which the asset was transferred, taking into account the amount of the proceeds to be reinvested by the Academy Trust. The Secretary of State will have regard to any representations from the Academy Trust and the LA from which the asset was transferred before giving consent under this clause.
- 87) Except with the consent of the Secretary of State, the Academy Trust shall not dispose of assets funded (whether in whole or in part) by the Secretary of State for a consideration less than the best price that can reasonably be obtained, such consent not to be unreasonably withheld or delayed.
- 88) The Academy Trust shall provide 30 days notice to the Secretary of State of its intention to dispose of assets for a consideration less than the best price that can reasonably be obtained, whether or not such disposal requires the Secretary of State's consent under clause 87 above.

TERMINATION

- 89) Either party may give not less than seven Academy Financial Years' written notice to terminate this Agreement, such notice to expire on 31 August 2019 or any subsequent anniversary of that date.
- 90) If the Secretary of State is of the opinion that the Academy no longer has the characteristics set out in clause 10 of this Agreement or that the conditions and requirements set out in clauses 12-33 of this Agreement are not being met, or that the Academy Trust is otherwise in material breach of the provisions of this Agreement, the Governing Body Agreement and/or the Principal Agreement, the Secretary of State may give notice of his provisional intention to terminate this Agreement.

91) Any such notice shall be in writing and shall:

- a) state the grounds on which the Secretary of State considers the Academy no longer has the characteristics set out in clause 10 of this Agreement or is not meeting the conditions and requirements of clauses 12-33 of this Agreement or the Academy Trust is otherwise in material breach of the provisions of this Agreement or the Governing Body Agreement and/or the Principal Agreement;
- b) specify the measures needed to remedy the situation or breach;
- c) specify a reasonable date by which these measures are to be implemented; and
- d) state the form in which the Academy Trust is to provide its response and a reasonable date by which it must be provided.

92) If no response is received by the date specified in accordance with clause 91(d), the Secretary of State may give the Academy Trust 12 months, or such lesser period as he considers appropriate in the circumstances, written notice to terminate this Agreement.

93) If a response is received by the date specified in accordance with clause 91(d) the Secretary of State shall consider it, and any representations made by the Academy Trust, and shall, within three months of its receipt, indicate that:

- a) he is content with the response and/or that the measures which he specified are being implemented; or
- b) he is content, subject to any further measures he reasonably specifies being implemented by a specified date or any evidence he requires that implementation of such measures have been successfully completed; or
- c) he is not satisfied, that he does not believe that he can be reasonably satisfied, and that he will proceed to terminate this Agreement.

94) In the circumstances of clause 93(c) the Secretary of State shall notify the Academy Trust why he believes that he cannot be reasonably satisfied and, if so requested by the Academy Trust within thirty days from such notification, he shall meet a deputation including representatives from the Governing Body to discuss his concerns. If following such meeting he has good reasons for remaining satisfied that the Academy does not and will not have the characteristics set out in clause 10 of this Agreement or does not and will not meet the conditions and requirements set out in clauses 12-33 of this Agreement or the Academy Trust is in material breach of the provisions of this Agreement, the Governing Body Agreement and/or the Principal Agreement and such breach will not be remedied to his reasonable satisfaction, he shall give the Academy
