13th December 2023

To Parents/Carers of Year 11

Dear Parents/Carers,

Thank you for your support over the mock exam period: the vast majority of students have been on time and have worked hard throughout the 7 days of exams that they have had.

In order to ensure that you are fully informed and know how to continue to support your child to achieve the best grades of which they are capable, an **in-person parents' evening** will be held on **Thursday 11th January from 4pm – 6.30pm**. Students will receive their grades in assembly on that day and they will be sent home to you by edulink. A letter with the details of how to sign up for parents' evening appointments accompanies this letter.

Students return from the Christmas break on **8th January 2024** and will have a workshop with Learning Performance to support their preparation in the final full term before their exams start in May as well as a talk on motivation and resilience from a guest speaker, they will be in college from **8.40am – 12.45pm**.

Saturday school begins again on 13th January: the dates and subjects are as follows:

13th January: English
20th January: Science
27th January: RE
3rd February: MFL
10th February: Geography

Morning Mocks begin again on 17th January as follows:

17th January: English
24th January: Maths
31st January: English
7th February: Maths.

We will let you know about half term revision sessions and Saturday schools at the start of February.

Thank you again for your support and we look forward to welcoming you into college on **Thursday 11th January 2024**.

Yours faithfully,

Ms C. Sayed
Vice Principal
