

St Michael's Catholic College

Llewellyn Street, Bermondsey, London SE16 4UN
11–18 Academy in the St Benedict Catholic Academy Trust

Required for September 2025

Roll: 962

Required for September 2025

Teacher of Science - Part Time

MPS/ UPS if applicable

St Michael's Catholic College is a high performing and highly effective school which offers exceptional opportunities for a talented, and enthusiastic part time teacher to join a committed and enthusiastic Science department. As a core subject Science is high profile at the College and as a result we have a track record of excellent results and very high levels of engagement across all key stages, including very good uptake at A' Level. The department organises regular opportunities for students to take Science beyond the curriculum for students in all key stages, including field trips, a whole school Science week and Science and STEM clubs.

St Michael's Catholic College has been judged outstanding by Ofsted on two consecutive occasions and also in the most recent Diocesan Inspection in March 2023. Outcomes continue to be above all local and national performance measures and St Michael's is the only school in England to receive five SSAT awards for exceptional outcomes in both 2023 and 2024, winning for attainment, progress and closing the gap.

The person appointed would be joining a very strong Science department regularly achieving above national average results at both GCSE and A' Level. The successful candidate will be a motivated individual with a keen interest in encouraging and inspiring students and who can enable them to flourish. The person appointed will have the opportunity to teach across the age and ability range and this position would suit either an experienced teacher or an exceptional ECT for between 2- 3 days a week (decision to be made at interview).

St Michael's is an outward looking school with an excellent reputation in the local area. As well as being a strategic partner in the Catholic Schools' Partnership and Southwark Schools Learning Partnership, St Michael's is a founding school in the St Benedict Catholic Academy Trust which opened on 1st April 2024. Founding school Headteachers and Governors have worked with Trustees and the Diocese to establish a Trust with a vision and mission to be a beacon of Catholic education, where schools retain their unique identity whilst also being part of a wider community and support network. Alongside these opportunities to work with professionals from a range of other establishments, the college was awarded transforming status by SSAT reflecting the outstanding professional development and wellbeing support we offer to staff. The college's excellent location by Tower Bridge facilitates a large number of business partnerships and enrichment opportunities.

St Michael's College is committed to safeguarding and promoting the welfare of children and young people and expects all staff to share this commitment. This post is subject to a Disclosure and Barring Service (DBS) check. For an application form and information pack please contact Mrs Valerie Ferguson
