Teacher of Religious Education

MPS/ UPS if applicable

St Michael's Catholic College is a high performing and highly effective school which offers exceptional opportunities for a talented, committed and enthusiastic teacher of Religious Education. As a core subject in a Catholic school which is part of the Salesian tradition, RE is high profile at the College. As a result, we have very high levels of engagement across all key stages, including very good uptake at A' Level. You will be joining a very strong RE department which consistently achieves well above national average results and also contributes to our exceptional chaplaincy provision in support of the wider Catholic life and mission of the school.

St Michael's Catholic College has been judged outstanding by Ofsted on two consecutive occasions and also in the most recent Diocesan Inspection in March 2023. Outcomes continue to be above all local and national performance measures and St Michael's is the only school in England to receive five SSAT awards for exceptional outcomes in both 2023 and 2024, winning for attainment, progress and closing the gap. The successful candidate will be a motivated individual with a keen interest in encouraging and inspiring students to flourish and be brought to life by Catholic education. The person appointed will have the opportunity to teach across the age and ability range and this position would suit either an experienced teacher or an exceptional ECT.

St Michael's is an outward looking school with an excellent reputation in the local area. As well as being a strategic partner in the Catholic Schools' Partnership and Southwark Schools Learning Partnership, St Michael's is a founding school in the St Benedict Catholic Academy Trust which opened on 1st April 2024. Founding school Headteachers and Governors have worked with Trustees and the Diocese to establish a Trust with a vision and mission to be a beacon of Catholic education, where schools retain their unique identity whilst also being part of a wider community and support network. Alongside these opportunities to work with professionals from a range of other establishments, the college was awarded transforming status by SSAT reflecting the outstanding professional development and wellbeing support we offer to staff. The college's excellent location by Tower Bridge facilitates a large number of business partnerships and enrichment opportunities.

St Michael's College is committed to safeguarding and promoting the welfare of children and young people and expects all staff to share this commitment. This post is subject to a Disclosure and Barring Service (DBS) check.
