St. Michael's Catholic College Sixth Form

Student Hand Book 2026-2027

*Bringing each student to the
fullness of life through education*

Welcome

Welcome to St Michael's Catholic College Sixth Form!

The next two years will be both exciting and critical for your academic careers. It is therefore important that you give 100% and make the most of all the opportunities that are offered to you in order for you to be successful in your Level 3 subjects as well as preparing you for university, apprenticeships or the world of work.

Good Luck!

Students
MUST be off
site by 5pm

Signing in and Out (Entrance and Exit by black gate on Sugar Lane)

All Sixth Formers MUST sign in and out at the beginning and end of each day (as well as in and out for lunch time). Please use the Inventory point by the back gate to do this.

This is for safeguarding reasons – we must know who is on site at all times in case there is an emergency.

Student ID Pass

For security reasons, all Sixth Form students are required to wear their photo ID passes at all times. These must be worn on the lanyard provided, so that they are visible. These passes will allow access to the school site and permit students, to leave the site at break and lunchtime.

Under no circumstance must a student "lend" his or her ID pass to another student or attempt to admit another person to the building, using the ID pass.

If the ID pass is lost, a member of the Sixth Form Team must be informed immediately, so that the pass can be disabled. If the ID pass is forgotten, the student must sign at reception for the day and wear a visitor lanyard.

Any student attempting to contravene this system, which is in place for the security of all, will be subject to stringent disciplinary procedures, including the removal of off-site privileges.

If you forget your ID and lanyard, you must report to reception to sign in and receive a temporary lanyard. You will be asked to hand in your phone in exchange for the lanyard which will be returned at the end of the day. Please note replacement cards cost £10.

Lunch

KS5 pupils have break at 11-11.15am & lunch from 1.15 pm until 2.15 pm. The 6th canteen has a wide selection of food and drink at break and lunchtime

Please remember that you are not allowed to leave the canteen with any food – don't eat on the NT floor! Pupils are permitted to bring in their own sandwiches or any other food to college. Pupils can purchase the meal of the day and a drink or pudding for approximately £2.80 using our cashless system called Parent Pay. Students will use their biometric fingerprint to pay for their food at the tills. Credit for food can be topped up online using the Parent Pay system. No cash is accepted at the tills.

Students late back from lunch will forfeit the privilege of going out for lunch the following week.

St Michael's is a college with Salesian Values

RESPECT, UNDERSTANDING, AFFECTION and HUMOUR: RUAH

Respect

Recognising and respecting the presence of Christ in every person.

Understanding

Being committed to learning and striving for academic excellence.

Affection

Sustaining high quality relationships as a result of loving kindness and consistent discipline.

Humour

Developing resilience by maintaining a balanced and optimistic approach to life.

House Rewards System

- Our House system is used in the school to promote achievement of the students in its widest forms in a totally positive way, from the classroom to the sports field and helping out around the school to drama productions.
- Our House System is based around five house that are all linked to the Salesians Religious Order either as Saints or Blessed. The house system is vertical incorporating one form per year for each house. Competitions will range from

Quizzes, debates, sporting events, department events and sports day. Each House will also have the opportunity to raise money for the college's selected charity.

- As well as this all students can collect house Points for achievement in one of the many areas outlined below. Each House will also record each student's number of points and the top twenty students in each house each year will achieve a special award.
- However, received points can be lost for lack of effort and behaviour throughout the year for both the individual student and the House.

Name of House:	Saint John Bosco (BC)	Saint Mary Mazzarello (MA)	Saint Dominic Savio (SA)	Blessed Laura Vicuna (VI)	Blessed Michael Rua (RU)	Blessed Alexandrina Maria Da Costa (DA)
Saint of House:

Attendance and Punctuality

We expect 100% attendance and punctuality from all our pupils.

What happens if I need to be out of college for some reason?

Leave of absence

If you need to apply for authorised absence, your parent/carer must write a letter, to the Principal, explaining the reason for what should be an unusual request.

The Principal has delegated authority from the governors to approve some working days' authorised absence for certain reasons. These may include:

- Attendance at a sporting or artistic event;
- Family funerals, or similar.

Absence for holidays in term-time is very strongly discouraged. The principal will never approve:

- Holidays which are booked in advance, without consultation with her;
- Holidays during years when there are external examinations.

In any case, the principal reserves the right to refuse applications. Her decision is final. If she refuses permission and you take your son/daughter out of college, their absence will be reported to the Education Welfare Office as an unauthorised absence from college.

Medical appointments

A letter is needed from parents giving the date and time plus the appointment card.

Students should report to a member of staff in the Reception Area with their note to be signed out from college.

What should I do if you are unable to attend college?

- Your parent/carer must phone the college as soon as possible to make us aware of the reason. The college number is 020 7237 6432
- Keep us informed of any serious developments

We are currently using a text messaging/Email service called EduLink whereby any absences will be sent to you via a text message. Also, Ms Lee-Kearns or our Attendance Officer will telephone your parent/carer on the day of absence if we have had no notification from a parent/carer. The Attendance Officer will telephone your parent/carer on the actual day of absence.

- Any unauthorised absence will be dealt with most severely and your parent/carer

will be informed as soon as possible.

- Continued problems with attendance could result in the involvement of the Head of Inclusion, and the Education Welfare Service.

Absences are reported either via EduLink or on the College website. Requests are no longer via the contact email address.

The College must adhere to the Department for Education guidance.

Clear evidence must be provided on the Google Form. e.g. screenshots with dates/times of medical appointments or music examinations.

Absences during term time with no evidence will be unauthorised and may escalate to a fine in certain circumstances.

You may also visit reception to request an absence with evidence. We reserve the right to ask for ID for safeguarding reasons.

Please make a request and provide evidence by:

- 1) Clicking [this link](#).
- 2) Using EduLink. Click Links > Student absence permission (see below).

What happens if you are late for college?

- You must report to Reception where a member of staff will record you as being late and mark you on the school late register. A detention will occur for one hour after college.
- Continued lates will result in students receiving an 8am start time.
- Transport delays are not acceptable reasons for lateness. Please leave enough time for your journey to college to accommodate any short delays.

Bursary payments are linked to attendance and punctuality - students whose attendance and/or punctuality fall below the college's expectation will not receive their bursary payments. See Bursaries

Academic Expectations

In the Sixth Form the nature of study changes: students need to take a far greater level of individual responsibility for their education.

Independence

A crucial part of this is that they develop independent learning skills by adopting a proactive approach and seeking new ways to extend their knowledge, as opposed to waiting to be "spoon fed" information. The students who achieve the highest grades tend to be those who are conscious of the need for independent learning; it is therefore helpful if you encourage your son or daughter to adopt this approach from an early stage. Students should seek help from their subject teachers and Academic Tutors if they are struggling to work independently.

Study periods

Students will have several non-contact periods on their timetable per week. These are study periods and should be used wisely, as students will have a lot of work to complete in their own time. They are not to be seen as "free" periods. Effective use of study periods will reduce the burden of work in the evenings and weekends.

Home study

Students should be studying at home during the evenings and at weekends. As a general rule, students should spend around fifteen hours a week studying (based on 3 A Levels), in addition to lesson time; sometimes it will need to be more than this. All students will have some study periods in the normal school day, during which time some of their study commitment can be fulfilled.

"I have no work to do!" This can really never be the case and is a comment never heard from successful learners.

Students should be engaged in four main forms of study:

- homework or coursework assignments for which a deadline is set.
- ongoing coursework preparation.
- reviewing and adding to their notes and 'reading around' the subject.
- ongoing revision: practising problems; completing additional past paper questions and revising key terms and ideas; creating revision materials, such as flashcards.

Independent study periods – students have 2 each week. Students should use their time purposefully. Students should be on the NT floor for these periods and not wondering around.
--

Sixth Form Study Session Protocols

You MUST attend all of your timetabled study sessions by registering with your designated teacher. Failure to do so will generate a truancy mark on SIMS.

You MUST complete meaningful work during your study sessions. Please see your subject Google Classrooms for work, NT12 for reading material and the school website for reading recommendations in your subjects.

You can use your phone for leaning purposes only – DO Not play games/ watch non-educational videos/message friends etc.

Only bottled drinks are allowed in study sessions.

If studying in a free NT classroom, all doors MUST remain open if there is no member of staff in the room.

You must be sat down and ready to begin work within 5 minutes of the study beginning.

Sixth Form Behaviour Expectations

The college expectation is that all students who enter the sixth form will have 100% attendance and punctuality, both to college and to lessons. All assignments, including homework and preparation tasks must be completed punctually and to a high standard. Conduct in lessons should demonstrate readiness to learn and intellectual participation. Where these expectations are not met and this in turn results in underperformance, students may face disciplinary action which may result in permanent exclusion.

Sixth Form Lesson Expectations

As with KS3 & KS4 we expect all sixth form students to strive to demonstrate the RUAH principals, all students should take pride in themselves by demonstrating excellent behaviour and attitudes to learning. Similarly, to the rest of the College, sixth form students are expected to;

- Arrive on time
- Arrive with all necessary equipment/books
- Arrive with completed homework or additional reading
- Follow sixth form dress code at all times (no headphones, air pods or phones out in lessons or on the corridors).
- Follow all teacher instructions
- Apply yourself fully to all tasks throughout the lesson
- Contribute to the lesson and work with others in a collaborative manner.

Mobile phones

Sixth form students are an integral part of the college pastoral system, working closely with students in younger year groups, it is therefore important that they have exemplary behaviour as they are role models. Students in KS3 & KS4 are not allowed to have mobile phones out in the building, sixth form students therefore are not allowed to have their phones out where there are other students, e.g. the corridors and on the stairs. As with the rest of the college, phones should also not be out in lessons unless with teacher permission.

You can only use your phone in the New Building canteen and NT floor.

Sixth form Negative behaviour mentions

Same as above; internal exclusion will take place in the APB for sixth form students as per the rest of college.

Sixth form Late to Lessons and College Procedure

Same as above. **If you are more than 5 minutes late to a lesson, you will not be allowed into the lesson and will receive a late mention. Please go to NT12 to complete work and you must ensure you catch up with the work missed.**

Saturday Detentions

Year 12/13 students will receive a Saturday detention for incurring 5 mentions in a week (see above).

Year 12/13 students who are late to their Saturday detention, will be sent home. Students will need to do the detention on the following Saturday. There will be a five-minute grace period but students arriving at 9.06 or later will be deemed as late.

Missed Saturday detentions will result in Yr12/13 students being internally excluded on the Monday or Tuesday after the missed Saturday detention (unless a parent/carers informs the college with a valid reason of why the detention is being missed).

Year 12/13 students who persistently miss their Saturday detention, and have been internally excluded twice, will receive a 2-day external exclusion.

Hierarchy:

Repeated infringement of one or more academic expectations as recorded on SIMS: Tutor report and / or removal of free periods.

Continued infringement or another episode of infringement: on report to Leaders of Learning then to Head of Sixth Form if persistent and parental involvement throughout.

Repeated infringement of academic expectations combined with underachievement: referral to Principal and Academic board. Result: warning orally and in writing.

Sustained failure to meet the pass grades within two or more subjects (if studying a CTEC equivalent to 3 A Levels, failure to meet expectations in this subject alone) due to systemic

infringement of academic expectations: Warning of fixed term or permanent exclusion.
Placed on White report for a period of time.

Continuous non-attendance together with ongoing failure to do assignments and work to St Michael's standards and expectations will lead to non-entry of exams. Where students fail to fulfil all requirements and standards, parents may be asked to pay for the exam fee.

Considerations for entry into Year 13 from Year 12:

Entry to Year 13 from Year 12 is dependent on success (a passing grade of E and above in all subjects and in line with a student's MTGs) in the internal summer examinations and students must meet the 6th Form behaviour/conduct expectations (93% and above attendance and punctuality and less than 60 negative mentions). Where this is not achieved, students will be supported on to alternative courses or will be supported to resit Year 12. The College will review students' behaviour and academic attainment following the November/December and Easter mock exams in Year 13 to also see whether or not a student needs to resit the academic year or drop a subject in order to ensure overall success in their Level 3 courses/subjects. Please note students who attain a U grade in the Yr 13 Christmas/Easter mocks will drop to 2 A Levels and students who continuously attain E grades in the mocks will also drop to 2 A levels.

Chromebooks and Digital Agreement

You can hire a Chromebook for the 2 years of your 6th Form study for a £60 deposit (payments via Parent Pay).

The deposit will be refunded once your Chromebook (including charger and locker key) are returned and in good condition.

Damaged or lost Chromebooks will result in deposits not being refunded and payments needing to be made for a replacement.

Lost keys are £10 (payments via Parent Pay).

All students must complete the Digital Agreement form to ensure that they abide by our safety policy. Any student who breaks the digital agreement will incur the relevant sanction (Please see the behaviour and e-safety policies).

6th Form Bursary

The 16–19 Bursary Fund, funded by the Education and Skills Funding Agency (ESFA), supports eligible students aged 16 to 19 to access and remain in education by helping them overcome financial barriers. (Please see the bursary policy)

Students must meet all the following to be eligible for any bursary:

- Be aged **16 or over but under 19** on **31 August 2026**
- Be **enrolled** on a full-time or part-time **ESFA-funded course**
- Meet **residency requirements** in line with the *ESFA post-16 funding guidance*

Evidence Required: Appropriate written evidence must be provided (e.g., award letters, local authority confirmation) to meet the bursary categories.

Conditions of Payment

To retain eligibility and continue receiving bursary support, students must meet the following expectations:

Attendance

- Maintain **minimum 95% attendance** across all timetabled sessions
- Authorised absences (e.g., illness confirmed by a parent/carers or self-certification in line with the school's attendance policy) are acceptable
- Unauthorised or persistent absence may result in **suspension or reduction of bursary**

Behaviour and Engagement

- Consistently meet school expectations for behaviour and effort
- Follow the **Sixth Form's Behaviour Policy**
- Actively participate in learning, meet deadlines, and engage positively in all aspects of the programme

Bursary payments will be withheld only for specific periods of non-compliance regarding attendance or assignment submission, and will not be used as a generalised disciplinary fine

Year 13 students must reapply for a bursary even if they received a bursary in Year12.

Pastoral Support

If you need help & support, you can speak with your form tutor or Head of Year.

You can also speak to anyone in the Inclusion department:

Ms Nottage – Overall safeguarding responsibility

Ms Rughooputh – Designated Safeguarding Lead

Ms Freegard – Deputy Designated Safeguarding Lead

Ms Sawyers - Deputy Designated Safeguarding Lead

Ms Chabaud – School Nurse & Mental health Lead

Ms Carr – Attendance Officer & medical first aider

Ms Murtaugh – School counsellor

Ms Chilton-Higgins – TAP and Bereavement support

Mr Daly – Safeguarding Officer

Mr Kelly – Safeguarding Officer

If you find it difficult speaking to someone face-to-face, you can use SHARP to ask for help.

<https://stmichaelscollege.thesharpsystem.com>

NB: All internal students MUST inform the college of any new medical issues. All External students MUST complete a medical form and let the school nurse know of any medical issues.

SUCCESSFUL STUDY

Enjoy the challenges, be positive and make a commitment to your study. The rewards will be great!

Success requires you do take an active part in your own learning. Tutors and subject tutors will support you and give you feedback on the progress you are making. Remember to talk through ideas and plan your time effectively.

Organise Your Time

Naturally, you want to make the most of your opportunities whilst in the Sixth Form. Using your time effectively will help you concentrate on your goals and realise your expectations.

**“AM I MAKING
THE BEST USE
OF MY TIME?”**

Personal Action Plan

You need to translate long-term goals and expectations into everyday activities, and so produce your personal action plan. Use schedules to map out your action plan.

Annual Schedule:

An annual schedule will provide an overall framework in which to work.

Weekly Schedule:

A weekly schedule will identify your regular commitments and the time left to undertake remaining activities.

Daily Schedule:

A daily schedule will help you to plan and re-plan effectively.

Consider the length of time available; the priorities of work to be done; the type of work to be undertaken; and the amount of consecutive time each task requires.

Planning & Preparation

- Draw up a weekly schedule of fixed activities.
- Try to complete at least one major task each day.
- Concentrate on the most important work.
- Undertake important and difficult tasks when you are at your best.
- Set time limits for tasks and stick to them.
- Begin as early as possible.
- Split work into small units so you can see your progress.
- Prepare for work by having all you need at hand.
- Work in an environment in which you feel comfortable.
- Do things well.
- Avoid interrupting yourself.
- Jot down a suddenly remembered job or idea for later attention.

WHAT IS THE POMODORO TECHNIQUE?

A method for staying focused and mentally fresh

STEP 1

Pick a task

STEP 2

Set a 25-minute timer

STEP 3

Work on your task until the time is up

STEP 4

Take a 5 minute break

STEP 5

Every 4 pomodoros, take a longer 15-30 minute break
