Phones and smart devices are brought in entirely at the student's own risk.

If the phone is a brick phone and is seen or goes off, on the 1st occasion it is confiscated and handed back at the end of the day, on the 2nd occasion parents/carers will be required to come in and collect it. Any further infringements will result in the student having to hand their phone in at the start of each day or not being able to bring a phone to school.

If a smart phone is seen or goes off, it will be confiscated as outlined below:

First occasion - The phone will be kept for 24 hours; the student can then collect it from their L/L at the end of the next day.

Persistent infringements of the policy will result in a student either having to hand their phone in at the start of each day or not being allowed to bring a phone to school at all.

- Detentions will be given.
- If a phone is confiscated in relation to a behavioural or safeguarding incident it will not be returned to the parents/carers until the reintegration meeting.

Any further infringements will result in the student not being able to bring a phone to school.

St Michael's Catholic College Hair Policy

The College hair policy has been informed by pupils, staff, parent and governor feedback to ensure our policies reflect and are supportive of the diversity of our college community.

Parents and carers are asked to read the policy carefully and go through it with their child so that everyone is clear about expectations. It is not fair to expect the College to make an exception for your child unless there is a specific medical reason.

- Students' hair should remain as close to their natural hair colour as possible, e.g. blond hair should not be dyed black and black hair should not be dyed red. Streaked, two tone or unnaturally coloured hair/braids, e.g. purple or blue, or exaggerated hair styles, e.g. Mohican are not permitted.
- For health and safety reasons pupils with hair that is shoulder length or longer must have their hair tied back in PE, and Science lessons and hair/fringes should not fall across pupils' eyes making it difficult for them to see or fully participate in lessons. Also, for health and safety reasons **hair should be no longer than waist length.**
- Afro-textured hair can be worn in all styles including, afros, locs, twists, braids, cornrows, fades, hair straightened through the application of heat or chemicals and weaves (in line with the 'Halo Code') but should be one natural colour. We acknowledge that Afro-textured hair requires specific styling for hair health and maintenance.
- Pupils are not permitted to have their heads shaved all over (skinhead/0.5 or less all over) and lines (including false partings) and patterns are not allowed to be shaved into eyebrows or hair.

- In Years 7-11 hair accessories for all pupils e.g., hairbands, headbands, ribbons, slides, etc. must be **black**. Please note headbands should be narrow and glass or plastic beads are not allowed for health and safety reasons.
- In the 6th form all hair accessories and head scarves etc. must be black, navy or grey in line with the 6th form dress code colours.
- Information from the Halo Collective has also been used to inform our hair policy and we have adopted the halo code. More information can be found here:
<https://halocollective.co.uk/halo-college/>

Additional information

- Chewing Gum is STRICTLY FORBIDDEN in the College as it causes costly damage.
- The College will routinely carry out bag searches of student(s) to ensure that no contraband or prohibited items have been brought onto the College site.
- All items of uniform should be clearly marked with the pupils' name.
- Caps and non-winter hats are banned at all times.
- Wristwatches are permitted but smart watches are not allowed as this would be the same as allowing pupils to have a phone with them which is switched on all day.

If any pupil is suspected of infringing the College Behaviour Policy, they will be placed in the Alternative Provision Base (APB) or a suitable area away from the other pupils until the investigation has been concluded. The pupil will be able to order a sandwich, desert and drink for lunch if they are in the APB over the lunch period.

Any students placed in the APB will be kept for an hour after College for each day that they are there.

Pupils will be expected to hand over their phones if in the APB at the beginning of the day or when instructed by a member of staff or if any investigation is taking place or they are in the APB for any online safety or safeguarding concerns.

- Any pupil who has infringed the College Behaviour Policy will automatically be placed on report for a minimum 2-week period.
- Metal combs, any sharp or dangerous objects of any type are not permitted and will result in a sanction in line with the College Behaviour Policy. If anyone is stopped by the police and is found to have any of the above in their possession, then they could be detained as it could be deemed to be a dangerous weapon.
- Any type of contraband as highlighted in the College's Behaviour policy is not allowed in, nor to and from College.
- Pupils are not permitted to be filmed by shops or local business for promotional purposes before or after College.
- 6th Form students must pass all subjects to move from Year 12 into Year 13 as well as to be entered for all external exams in Year 13

Homework

Most homework will be set on Google classroom. Homework is a vital part of every pupil's learning journey and therefore it is of the utmost importance that all pupils complete each task to the best of their ability and meet deadlines. Pupils that fail to meet this expectation will receive a minor negative mention, if they fail to complete homework or persistently fail to meet homework expectations, they will receive a major negative mention. This will result in a detention and may lead to phone calls home and parent/carer meetings.

Year 11 Study Clubs & Saturday School

At the end of each day, Year 11 pupils are expected to attend compulsory study clubs until 4.30pm. Year 11 pupils from the 1st term are also expected to attend Saturday morning lessons and morning mock examinations in college.

Attendance and punctuality

- Exemplary attendance is expected of all pupils at St. Michael's. Students should attend at least 96% of the time. It is the parents/carers responsibility to inform the college on the first day of any absence. On return from absence a letter/email explaining the absence must be produced, and medical certification should be provided on request.

We request that parents/carers, where possible, book appointments outside of the College working hours.

The college will follow the DfE guidance on absence codes for pupils who fail to attend College.

Punctuality and in this instance, arriving at college on time is of the upmost importance. If your child is late due to a valid reason, for example, a doctor's appointment you will need to provide evidence of this. Please use the College appointments Google Form to inform of us in advance of any medical/other appointments that will take place during college hours

We will use our discretion if there are genuine one-off traffic problems within the college vicinity but please note, unless for **exceptional circumstances phone calls to the college will not be sufficient to omit your child from sanctions for lateness.**

- Pupils who incur a detention can be kept for up to an hour after college after their designated finish time in line with DfE statutory guidelines. If a pupil incurs 2 negative points in a day this will result in a one-hour after college detention. Parents/carers will be informed of this on the Edulink app. Pupils who incur 4 negative points/mentions in a week will sit a Friday one-hour after college detention. Pupils who have incurred 5+ negative points/mentions in a week will be required to attend a one-hour Saturday detention. (Please refer to the College Behaviour Policy on the College website for more details regarding the escalation of negative points/mentions.

Filming of pupils in college

At times it may be required that your child is filmed or photographed on the College premises or at related activities outside of the College, by the College or by our partner businesses/agencies who may use the recordings or still images.

**A reminder that all Parents/Carers must sign the *Google form*;
to show that the all the **procedures and behavioural expectations have been understood and agreed by yourself and your child.****
