Prayer

Heavenly Father,

We bring our school family before You as we begin this new week, offering You our studies, our friendships, and our service to others.

On Armistice Day this Wednesday, we pause to honour and remember all who gave their lives in armed conflicts, as well as those who continue to serve in pursuit of peace.

As we celebrate the feast of St. Martin of Tours—a soldier who laid down his weapons to follow You—grant us the grace to be peacemakers in our classrooms, our city, and our wider world.

This week we celebrate World Kindness Day on Friday, open our hearts to the needs of those around us. Bless our ongoing collection for the Southwark Foodbank.

May every tin, packet, and meal shared be a tangible sign of Your love for families in our local London community facing hardship.

Teach us to act with compassion, to speak with gentleness, and to live out Your Gospel through quiet acts of love each day.

Amen

St Michael – Pray for Us

All the Angels and Saints – Pray for Us

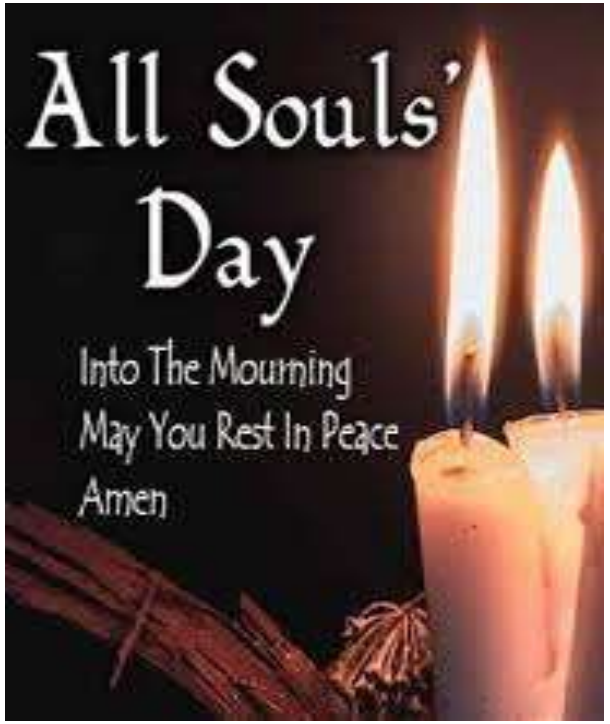

Prayerful intention this month

As well as your own private intentions, our community intention for prayer at the beginning of lessons is for…

All those who have died in the past year…

November marks the month of remembrance of family and friends that have died

Friday Masses in November will be offered for the souls of the departed

Student Chaplaincy
Challenge for the Week

"Act justly, love tenderly, and walk humbly with your God." — Micah 6:8

Combine the spirit of Remembrance and World Kindness Day by completing two intentional acts of peace and generosity before Friday:

A Moment of Peace: Observe the two-minute silence on Armistice Day with genuine quiet reflection, praying for peace in areas of current global conflict and resolving one personal disagreement with a friend or classmate.

A Concrete Act of Kindness: Bring in a non-perishable item for our Southwark Foodbank collection or perform an unexpected, thoughtful gesture of kindness for a classmate or member of staff who looks like they need support this week.

In it he writes: ***"No computational system, however sophisticated, can create a heart that gives itself, or a conscience that discerns good from evil. Even when machines excel in efficiency, a human face that asks to be gazed upon remains the centre of our history. This human face is the fullness toward which history is moving"*** *(No 233)*
